

Annual Pledge 2021

Temple Adas Shalom depends entirely on the financial support of our members and friends. Your annual pledge supports the congregation’s operational, educational, spiritual, social, ritual and life cycle needs. A synagogue is a place where Jewish identity is celebrated, encouraged and passed on to the next generation...L’dor V’dor.

Temple Adas Shalom-Harford Jewish Center exists because of those who came before us. They left a legacy to us and our children. As a member, you are encouraged to contribute according to your financial ability. That is the essence of tzedakah – justice and righteousness –as our tradition teaches.

Based on the number of member families and the total operational budget (not including the building expansion), it costs approximately \$2,000 (or \$166.67 per month) per member to run the temple. Each dollar that is pledged is greatly appreciated and helps insure we can be there for you and future generations.

It is important not to view synagogue membership as a “fee for services rendered,” but rather as a means of supporting our community and our future. Please consider taking a fresh look at the suggested pledge schedule below.

“If you see a man giving liberally, it means his wealth will grow; if you see one who shuns charity, it means his wealth will dwindle.” - Midrash Mishle
